

SENATE BILL 1835  
By McLeary

AN ACT to amend Tennessee Code Annotated, Section 71-6-203,  
relative to child abuse prevention services.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 71-6-203(8), is amended by deleting the subsection in its entirety and by substituting instead the following:

(8)(A) Shall require an annual report from each service funded which shall include, in addition to all information required by the department, statistics on the number of persons requesting service, the number of persons served, the type of service rendered and a description of the social and economic characteristics of the person served and the number and type of referrals, including medical, legal and education services, made to other community resources. No information contained in the report shall identify any person served or enable any person to determine the identity of such a person.

(B) Notwithstanding any law to the contrary, the department of children's services may require each child abuse service funded to submit certain identifying information relating solely to recipients of child abuse prevention services for the narrow purpose of tracking of the effectiveness of child abuse prevention services. Such information must

be maintained by the department of children's services as confidential and may not be released for any purpose. Nothing in this subsection should be construed as allowing access to any identifying information relating to family violence shelters and shelter services; and

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
